Signal Tower

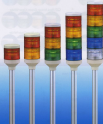

LED

Ø60

IP65

PNP/PNP
Open collector

Versatile, cost- and energy-efficient LED Signal Tower for every need.

- **REFLITE's Exclusive Hybrid Phase-Out Lens:** For enhanced visibility from any direction and distance.
- **Original Dual Reflection System:** For enhanced light diffusion, creating bright distinctive illumination and resulting energy-savings (P90.7%).
- **Installation:** Pole-mount.
- **Interchangeable Modules:** No re-wiring even after installation.
- **Main Body:** Superior impact- and heat-resistant ABS resin, ...
- **Lens:** Superior weather-resistant and light-translucent AS resin.
- **Available Colors:** Red, Amber, Green, Blue, Clear/White.

Available Special Order

- Silver Body Type (LMS-L).
- Cable Caster: Versatile and flexible 3m cable.
- UL type (307 9999).

Interchangeable LED modules

- Swapable into separate slots to add colors and/or functionalities after installation. New LED modules of the same color within a signal tower will light up simultaneously.

The wiring remains the same.

- New colors or a quantity will replace LED modules.

Easy to add or to remove
